

From 2021-2022

4.1.1 Adequate infrastructure and physical facilities

Well furnished-specious six classrooms with proper air and light circulation and, each having room more than sufficient of student's intake are in use with well seating arrangement. From the session 2020-21, according to infrastructure augmentation, now we have six classrooms. Out of these six classrooms, room 1 is of 750 sq ft, room 2 & 3, each is of 500 sq ft, room 4 is of 1050 sq. ft., room no 5 is of 830 sq ft and room 6 is of 375 sq ft. Total area of 4005 sq ft is occupied by these six classrooms. Classrooms 1 to 5 are at first floor and classroom 6th is at ground floor. All classrooms are in the range of wi-fi facility and rooms 1 to 5 are with DLP projector facility. We have well furnished-specious five laboratories with proper air and light circulation and, each having room more than sufficient of student's intake with well seating arrangement. Out of these, three laboratories (Physics – 1150 sq ft, Chemistry – 1250 sq ft and Computer Science – 500 sq ft) are at the ground floor and two laboratories (Botany – 1000 sq ft and Zoology – 1000 sq ft) are at the first floor. Total 4900 sq ft area is occupied by the laboratories. All laboratories are well equipped with sophisticated instruments. All the departments, including laboratories, have computers for individual faculty with internet facility (LAN and wi-fi). Total 21 computers are available for the students with internet facility (LAN and wi-fi) in the computer science laboratory. Since 2012, we have research lab (250 sq ft) for solid state physics. Since 2021-22, for academic and cultural programs, newly constructed seminar hall (182 sq m) with DLP projector and ICT is in use.

There are four solar lamps/ street lights of superior quality on the playground. The facility of Hygienic drinking water for the staff and students has been managed. In case of power off, the high-power generator of 25 kVA (Kirloskar make) is available to run the all-campus work without interruption.

The specious Indoor Stadium (879 sq m) including bat-Minton court, volley ball court, and playground (10100 sq m) including running track - 200m, short-put sector, jumping pit, double bar – single bar, volley ball ground, kabaddi ground, cricket pitch, and gymnasium, all these are available for the students. Gymnasium is in use by college students and students of other colleges as per the given slot.
