

4.2.1- ILMS, Book Purchase, Steps per day

The library of the college has made consistent progress in terms of collection of books, journals, periodicals. The college library has furnished room of 780 sq. ft area including separate reading rooms for girls (250sq ft) and boys (250 sq ft). The library has 3 desktop computers; out of which 1 is available for user's access and 2 computers are for regular library work. One Laser Printer is available for staff only.

Library Automation.

The LMS (Lib-Man 2.0) software was purchased by MasterSoft ERP solution, Nagpur on 10 March 2017 of worth 50,000/-. The software has to update yearly. Since 2019-2020, library is partially automated using ILMS. Library plays an important role in an academic institution towards the teaching –Learning and research activities. LIB-Man software is cloud-based library automation software and, it is partially integrated, user-friendly, multi-user package for computerization of all the in-house operations of the library. Lib-Man is embedded with Multi-lingual Fonts and Barcode. Some of the books have been bar coded for issue - return purpose. The rest of is in process for being bar coded.
