

Research and Development Cell (R & D Cell)

College Governing Body (R & D Cell): Chairman - *Dr. Sharadkumar C. Gedam*

Mission:

Though our college has not approved research laboratory, but the faculties are doing their research regularly. The College Research and Development Cell provide environment wherein creation and dissemination of knowledge, innovation and technology development for societal and industrial needs would be achieved by researchers through knowledge and skills, good governance and extensive financial support.

Functions of Research and Development Cell:

- i. To prepare annual research plan, implement and monitor the research activities of the College departments.
- ii. To develop networking and collaborative research of college departments with national and/or international institutes.
- iii. To formulate the rules and regulations related to policy framework for utilization of facilities and resources of college departments.
- iv. To formulate rules and regulations related to facilitate exchange of students, faculty and scholars of the college departments.
